Just saw the invite. Thanks so much for getting it set up so quickly. One last question, are you guys planning to have any legal counsel attend? We are not but would want to have someone if you guys did.

Charis,

We wanted to try and have the call prior to development of any EPA comments on the PTC Federal Register notice. Since that closes on Monday, 2/13, I think

next week is the only option. Would Mary Jo be willing to delegate to the deputy state office director or other senior management?
